A small school with a big heart

Parent/teacher liaison

Due to the current restrictions we are unable to hold our usual October Parents Evening face-to-face. Our class teachers will be available for 5 minute telephone conversations instead. Your child will bring home a letter today detailing the day, date and possible appointment times available. Please return the slip ASAP so that we can give you the time closest to your stated preference. The purpose of the conversation is to discuss how they have settled in and give you opportunity to ask any questions.

Walk to School Week

Walk to School Week is next week, October 5th -9th. The children will receive a leaflet with all the details about it from their class teachers to bring home today.

Sponsored walk

Thank you so much for the money that has come in so far. You have all been so generous!
Please could all money be in by next Friday, 8th October.
Thank you.

Hurray for HOT DINNERS!

We are pleased to inform you that we will be providing hot dinners again as of this Monday, 5th October. Furness Academy Kitchen is our provider and they cook delicious, healthy and well balanced meals for our children. The cost is £11.25 for the week. Children must sign up for the whole week (not just certain days) if they would like a hot dinner and bring the money to school (cash or cheque) on Monday morning. Why not give them a try?! The menu for next week is attached to this Newsletter.

Parent Governor Vacancy

We have a vacancy for a Parent governor on our Governing body. Parent governors play a vital role on governing bodies, holding the unique position of having a parental viewpoint of the school. Through their children, they have first-hand experience of the delivery of the curriculum and how the school is perceived, enabling them to bring a different perspective to the strategic management of the school.
If you are interested in the vacancy, please call into the school office, email or phone and we will be happy to let you know more about the role.

Tik Tok

Unfortunately, we have had a number of incidents happening outside of school hours that are affecting pupils in school time. Please can we remind all parents that this app is for children **aged 16 and over** and to closely monitor what your child is doing on their mobile phone. Thank you for your co-operation in this matter.

Gallery

Our Year 4 class has been looking at the work of French impressionist painter, Claude Monet, and learning about the style he painted in, observing light and shade in nature. They tried colour mixing and painted some beautiful poppies. Well done Year 4!
