Computer chairs for sale

We are not going to use our computer chairs anymore as we removed them from the Mouse House when we locked down the first time due to Covid. They have a blue, fabric seat and back and are on four caster wheels. If anyone would like to have them for a contribution of £5 each chair, please email school and they can be collected any evening after school.

Year 3 have been planting seeds this week! They are learning all about plants and what they need to grow and survive. They have been experimenting by growing them in the dark, light, cold and warmth and will note their observations to find out the best growing conditions...We will see! The plants in our school grounds are growing well after all the rain on Bank Holiday Monday!
