St Paul's C of E Junior School

One who has unreliable
friends soon comes to ruin,
but there is a friend who
sticks closer than a brother.
Proverbs 18 v 24

A small school with a big heart

Champions of Lego League!

Yesterday, St Paul's Lego League team took part in the Lego League South Cumbria regional finals. Judges visited the team and evaluated their project work and presentation, robot games and how well they worked together as a team. The whole team did a fantastic job and when all the scores were added up St Paul's came out as overall winners for South Cumbria! This means the team will be representing the area at the national finals in Harrogate. This will be the second time that St Paul's have represented the area in a national Lego League final. A huge well done to the team; their hard work and dedication has really paid off and they were all excited (and surprised) by the result. You can read more about their success in today's

Mail. <https://www.nwemail.co.uk/news/19880385.south-cumbrian-scientists-go-head-head-lego-league-returns/>

Assessment week for Years 3, 4 and 5

This will take place next week. Please avoid appointments in school time if possible and make sure your child arrives at school on time. Thank you.

Year 6 Young Writers Competition:

Please make sure you have filled in your child's application online to have their stories published. If the form is not returned, your child's story will not appear in the anthology.

Years 5 and 6 Bikeability

Thank you for returning the permission slips for your child to take part in the training in March. If your child does not have a bike, if possible, please arrange with another parent for your child to share a bike with a friend for the training. We have a spare bike in school but can't guarantee that your child will have the use of it.

Years 5 and 6 Puberty talk

Next Friday, 4th February, Year 5 and 6 will take part in a Puberty talk, presented by Donna Moore, an experienced, specialist health educator. The talk is pitched at different levels for each year group. This is an important part of PSHE and we hope that your child will have a better understanding of development and puberty after the talk. If you have any queries, please get in touch with the school office.

Curriculum Review- Values Programme

Please look out for an email asking you to take part in a survey, enabling us to evaluate our Values Programme. The email will take you to a link on Survey Monkey and should approximately take 1-2 minutes to complete. Your responses are very much appreciated. Thank you.

stars of the Week

Year 3: Alivia
Year 4: Xander
Year 5: Lexie
Year 6: Alysha
