St Paul's C of E Junior School

Shout for joy, you heavens;
rejoice, you earth; burst into
song, you mountains! For the
LORD comforts his people and
will have compassion on his
afflicted ones. Isaiah 49 v 13

A small school with a big heart

Autumn term 5-day Active Travel Challenge

Monday 3rd to Fri 7th October 2022

From Monday, our pupils are encouraged to walk or scoot to school. If this isn't possible, perhaps park a little further away so your child can 'Ride then Stride'. Pupils will be given stickers to record their active travel and then receive a hi-vis snap band at the end of the week.

Parent Afternoon/Evening Tuesday 18th October

You will receive a letter inviting you to make an appointment for a 5-minute consultation with your child's teacher. (Check your child's bag!) Please return your preference slip a.s.a.p.

Year 5 River Leven trip

The class will be going on a school trip next Wednesday, 5th October during school time to expand on their Rivers topic work. The trip will take them to the source of the river at Lakeside Windermere, where they will take the steam train to Haverthwaite, then follow the River Leven all the way to Greenodd. A letter has gone home with all the details. Just a reminder that your child will need a packed lunch that day.

Young Voices

Our choir will be taking part in the 'Young Voices' concert on January 30th 2023. We have been doing the trip for 8 years now and it really is a fantastic and memorable day!

A letter has gone home with children who have shown an interest in coming along. Please return the forms by next Friday, 7th October if you would like your child to attend.

Year 5 STEM at Furness College

On Wednesday, Year 5 had fun learning about engineering and design with the Primary Technical College and C-STEM. The children programmed and designed their own Lego robotics 'hoppers'. They also got to meet and race a real life robotic dog called spot! The children took Lego home with them to inspire them to become engineers of the future!

Year 6 STEM at Furness Academy

Year 6 had a super STEM morning at Furness Academy on Wednesday, where they took part in a glider building competition against other local schools. The children were a pleasure to take and great role models for our school. One of our teams even won the 'decorative category' in the competition. Well done everyone!

stars of the Week

Year 3: Sanjay

Year 4: Jack S

Year 5: All of Year 5

Year 6: Maia

School Holiday Dates

2022-2023

Autumn term- Weds 7th Sept- Tues 20th Dec
