St Paul's C of E Junior School

By the word of the Lord the
heavens were made,
And by the breath of His mouth
all their host.
Psalm 33 v 6

A small school with a big heart

Young Voices

The choir had a fantastic time at 'Young Voices' on Monday. The children sang their hearts out, along with 8807 other children from around the North West and Wales. They sang a variety of songs and medleys and also sang along with guest artist, Heather Small to her iconic song, 'What have you done today to make you feel proud'.

Well, the children should be VERY proud of themselves! They certainly made their school and parents proud. Well done choir!

Welly Wednesday- February 15th

Our theme is Health, Wellbeing and Inclusion. We would like to give our pupils the chance to think more about inclusion through exploring the various languages that our pupils can speak. If you as a parent are bilingual and would like to be part of our Welly Wednesday activities, please contact the school office. Secondly, we want to give our pupils a chance to find out about jobs in the health sector. If you work in the health sector, the NHS, private health, leisure and fitness and would like to contribute to our Welly Wednesday activities, please contact the school office.

Year 4 school trip

Year 4 are going to the Dock Museum next Wednesday to learn more about WWII and the impact it had on Barrow. A letter has been sent home with all the details.

Safer Internet Day

This global event takes place on **Tuesday 7th February**. As part of your child's PSHE and Computing lessons, they are taught about keeping safe on the internet on a regular basis. Your child will be able to share with you what they have learnt in school. Year 4, 5 and 6 have just finished the Kidsafe 'Cyber Bullying Workshop'. We would really appreciate it if you could take the time to talk with your child about using the internet and staying safe online.

The 'Safer Internet Day' website has lots of useful information on it. Here's the link:
