Lego League County Finals

Our Lego League team had a great time at the regional competition last Friday! They even won a special trophy for their innovation project and presentation all about energy. The judges were very impressed with the team's hard work and were certainly intrigued about how we can get power from wee! Heath won an extra prize for the best design of a duck built out of Lego! Well done everyone, you did yourselves and St Paul's proud!

Summer Uniform

After the holidays, children can wear summer uniform, if the weather is warm enough! They can wear white polo shirts, grey shorts or a grey skirt, a red or pink check summer dress and sensible sandals.

Your child will bring their PE kit home today for a wash. Please make sure that the PE kit is back in school the day we come back to school as PE lessons start straight away.
