A small school with a big heart

Save the Date!

On Friday 16th June, we will be celebrating our 180th Birthday!

We will have an afternoon of activities for our pupils and then from 3.30pm the school site will be open for parents and friends of the school to join the celebration! More details will follow in the coming weeks.

SATs Week

Next week is SATs week for our Year 6 pupils. They will be sitting their tests each day in the school hall so we please ask that any appointments are made outside of school hours and that **ALL** children (Years 3 to 6) are in school promptly as we will not be allowing anyone to pass through the hall once the tests start. Good luck Year 6 - you have worked hard and are a credit to our school.

Reading Passports

A number of children took up the Reading Passport Challenge last term. The deadline for completing this challenge is **Friday 26th May**. Once your child has completed their passport they can go and collect a prize from Mrs. Nixon. Well done to all those children who have participated this year.

PE Kits

Unfortunately, we are having to put this reminder in the Newsletter once more as we still have children who do not have the correct PE kit in school and are therefore unable to participate in PE lessons. It is a national requirement that each child receives 2 hours of high-quality PE a week. Please ensure your child has the correct equipment. May we also remind you that jewellery is not permitted in PE lessons and therefore earrings and rings must be removed (by the child) before the session.

Have a wonderful Bank Holiday weekend celebrating the King's Coronation!

Kings Coronation Celebrations!

We have had lots of fun in school this morning, celebrating the Coronation and learning more about the ceremony taking place tomorrow. The Coronation cookies that the children made were fantastic and it was evident that lots of effort had been put into making and decorating them! Well done to our class winners, Jameson, Elsie, Zeb and Ewan.
