Mr. Bailey's 100km run for charity!
Mr. Bailey will be taking part in the Lakeland Trails 100km Ultra run on Saturday 8th July. He will be raising money for Barnardo's and also for our school, so that we can update our range of reading books. If you would like to donate, here is the link to Mr. Bailey's fundraising page on just giving

The children can also get involved in their own mini 100 ultra-challenge by seeing if they can run 100 times round the school field over the course of the next few weeks. If your child has taken up the challenge, they have brought home a sponsor form this week. Please bring the money raised into school once the challenge is complete. Many thanks in advance for your support. We really appreciate it!

Money matters

We are currently experiencing a lack of money coming in via ParentMail for things such as swimming and school trips. We appreciate that some families are finding things hard financially at present BUT we do rely on contributions to help us pay for coaches, which aren't cheap and we don't want to stop these opportunities through lack of contributions. Please give whatever you can to support us as you can appreciate, our small school has a small budget that doesn't always meet the extra-curricular activities. Grasmere payments must be paid in time for the trip in September. Please speak to Mrs. Last or Mrs. Mowat if you wish to discuss this further.
