A small school with a big heart

## Children in Need

It's that time of year again! Children in Need day is next Friday, 17<sup>th</sup> November. Your child can come to school in Pyjamas, anything with Pudsey bear related or dressed in Blue for Diabetes. A child in our school has diabetes and we would like to support the charity, so any money raised will be split between the two charities. There will also be a bake sale. If cakes can be brought in on the morning, it would be much appreciated. Children will need to bring a £1 donation for wearing non-uniform along with some money for cakes/biscuits.

## School car park

Please do not use the school car park for dropping off or picking up your child unless pre-arranged with the school office. Many thanks.

## Year 4 at Abbey Road Baptist Church

Next Wednesday morning, 15<sup>th</sup> November, Year 4 will be walking down to Abbey Road Baptist Church to take part in the 'Flashbacks to times with Jesus' workshop. They will return to school in time for lunch.

## Lego Base Boards:

If anyone has any Lego base boards (any size) they would be willing to donate to school, we would be extremely grateful. Thank you.

## Sponsored Walk

Thank you for all the donations that came in for our sponsored walk. Your children raised £721 for school funds! We really appreciate this and the money will be put to good use, benefitting all children in school.

## Christmas dinner is a winner!

On Thursday, 14<sup>th</sup> December, school dinner for the day will be a Christmas dinner with all the trimmings! Turkey, roast potatoes, vegetables, pigs in blankets, stuffing and gravy! Your child will also get a Christmas cookie or muffin. If you would like your child to have the dinner (provided by Furness Academy Kitchens), please book via ParentMail. The cost is £2.50. There is still the option to choose Jacket Potatoes or Baguettes or your child can bring a packed lunch.

## Year 3 School Trip to Woodmatters

The class had a fantastic trip to Woodmatters at Windermere on Wednesday, learning about the Stone Age, Bronze Age and Iron Age. They made Stone Age axes, rock art, created a timeline of prehistory, made copper sun discs and examined fascinating artefacts.
