St Paul's C of E Junior School

Worthy are you, our Lord and God,
to receive glory and honor and
power, for you created all things,
and by your will they existed and
were created.

Revelation 4 v 11

A small school with a big heart

Mrs Mowat

Our much loved member of staff, friend and colleague, Mrs Mowat, is finishing at the end of term, after 32 years working at St Paul's School. We are not sure how we will manage without her as she does so much within school but she will still be popping in to help out with various activities! We are so thankful for all she has done over the years and we hope that she will now be able to enjoy time with the grandchildren and holidays in term time! 😊

Year 5 and 6 Science- Reproduction topic

As part of the National Curriculum, the children in Year 5 and 6 are taught about animal and human reproduction. Donna Moore, school nurse, will be coming in next Wednesday, 11th June to talk to Year 5 about growing and changing and Year 6 about reproduction.

Liverpool Philharmonic

Next Thursday morning, 12th June, three musicians from Liverpool Philharmonic will be coming in to school to deliver workshops to our children. The three woodwind musicians will be performing from 9.15am until 10am in the school hall and parents and carers are most welcome to come along to enjoy the music.

Summer fun days!

The details are being finalised and more information about these will be sent home to parents and carers in the next week.

Sports Clubs

Sports clubs this term are Athletics on Tuesday's after school and Rounders on Thursday after school. If your child has a place in the club you will have received a text to confirm this.

Active Travel Week 9th-13th June

As you will know, our school already takes part in the WOW challenge and our children are making a great effort to get to school by walking, cycling or scootering. Next week is Cumbria wide, Active Travel week so we would encourage your child to ramp up their efforts and try to get to school in an active way, every day if possible. Each child who takes part will get a snap reflective wrist band!

stars of the Week

Year 3: Ezra

Year 4: Ella

Year 5: Alfie C

Year 6: Ava
