St Paul's C of E Junior School

Worthy are you, our Lord and God,
to receive glory and honor and
power, for you created all things,
and by your will they existed and
were created.

A small school with a big heart

Scholarpack to Arbor

This week, we have moved over to a new MIS (Management Information System) called Arbor. This is a cloud-based site where all school records, data and information are stored. We also use it to send emails and text messages to parents and guardians.

Previously, if you received a text message from us it was headed up as St Paul's School.

Here is where there is a change-If you receive a text message from an unknown number, it might well be from St Paul's School via Arbor. Please check the message. If it is from us, you can then save that number to your phone as St Paul's School. The number you will receive it from is different for every parent/guardian so we are unable to let you know the number!

Thank you for your understanding.

Books/kits returned:

Please could all books, sports kits, school tracksuits be returned as soon as possible.

Thank you.

Summer Raffle:

Entries for the Summer Raffle have now closed. We will be drawing the winning ticket on Wednesday after the Summer Show. Thank you for all of your support. The monies raised will go towards resources for the new term.

WOW Challenge

Our children have been very active this term! We have just been informed that our children have recorded 2344 active trips to school and 1390 of these were for walking! AMAZING! Well done to all those who have been taking part.

20mph Speed limit consultation

Our school is in one of the proposed areas where the speed limit may be reduced to 20mph. The council are wanting to know your views on this. Please follow this link to access their survey:
