

**Flourishing Together, Rooted in Love**

## School Uniform Policy

Our uniform reflects the forward-thinking direction of our school and ensures that the children will be comfortable and have freedom of movement for our active, outdoor learning and play. However, we still want the children to look smart and take pride in belonging to this wonderful community.

Another key consideration for us is to keep the cost affordable. Although polo shirts and PE t-shirts will be available with our fantastic, new logo on, the only item that we will require to have a logo as part of our uniform, is a sweatshirt or cardigan, which is available from **Identity**, Unit 2, Peter Green Way, Barrow. This means that all other items will be available at low-cost supermarkets.

We have a full-school set of waterproof jackets and trousers to protect your child's uniform during wet and muddy outdoor learning.
